

JOE PYE WEED

EUTROCHIUM PURPUREUM

PLANT CHARACTERISTICS

Size

5-7' high, 2-4' wide

Sun/Shade

Full sun to part shade

Water

Medium

Maintenance

Low

Life Span

Herbaceous Perennial, zones 4-9

Description

This tall, native, North American perennial, is erect, clump-forming, and has coarsely-serrated, lance-shaped, dark green leaves (up to 12" long). Leaves are in whorls of 3-4 on sturdy stems. Tiny, pale pink-purple flowers in large terminal domed compound clusters, bloom July -September and are vanilla scented. The blossoms attract butterflies.
